

Happy New Year!

Thank you for all the kind words and support you have given me recently. It's nice to be back working again and I look forward to many visits and welcoming new members and volunteers.

I'd like to say a big welcome to Kat Spring, she has joined our friendly team of Trustees: Martin (Chair), Sandy, Sean and Bob. Please see our website for photo's and information about our team. All Trustees were at the Christmas Lunch, which I hear was a lovely afternoon. Thank you to Bob for being a great quiz master.

Throughout 2023, Sorce Ltd based in Newbury had selected Enrych Berkshire as their charity to support. We have received many donations from their fundraising activities like sponsored walks and cake sales. They have also supported Matthew, who works for Sorce Ltd, providing him time to train myself and Martin on our new Website, which he has developed in his own time. A heart felt thank you to Sorce Ltd and Matthew Wheeler.

Please visit our New Website. A full launch will be taking place soon.
